Hello Chapter,

Well as I sit and write this 2023 is almost behind us. Just 3 more days, where does the time go? We had some fun at the Christmas party. Big shout out to Mike and Fran! Thanks for hosting at your house. Lots of good food, thanks to all who shared in their cooking skills. Some nice gifts were exchanged in the white elephant and good gifts from the chapter. All in all, it turned out to be a nice party.

We completed the scavenger hunt ride. The top three were Mike Williams, Brenda Reichers, and myself. The prize was free Chapter membership for 2024 provided by the chapter. I provided 3 gift cards for the top spots, \$100, \$50, and \$25.

Other highlights for the year include a couple of breakfast, Lake Diaz picnic, Regan Library and Home Coming Cheerleader Ride. We always get lots of thanks from the high school for this. A few of us went on the HOG 9 Passes rally. It was pretty amazing.

We moved the meeting to Thursday at 6:30PM at Pizza Factory in the private room from 6:30 to 7:30 so come early and order your food. The meeting starts at 6:30 with the board and chapter meeting combined into one.

Like always we are looking for ride inputs. Any ideas would be greatly appreciated. You are not required to lead the ride if you provide the idea. I just really need your ideas. Would love to have rides that people want to do! They can be cookouts, breakfast rides, overnight, day rides or anything that you can think of.

I would like to give Stan Austin a great big thanks for being our Safety Officer over the last couple of years. Stan is being replaced by Dave Campbell as the Safety Officer. Welcome Dave. If anyone is interested in a position on the board let me know. If not, all current officers are willing to stay in their current positions.

Mike Reichers
Director
