Meeting Called to Order by: Mike Williams at 0915 hours

Director, Mike Reichers: Unable to attend

Assistant Director/Activities Officer Mike Williams: Cabin Fever Ride is Feb. 18-20, 2022. Bland said the key to the ride is weather and it should be a nice and easy ride. Lancaster Spring Heat Hog Rally is April 02-05 and will end in Apache Junction Arizona. More information to follow. Mike Reichers encourages members to join the National and local Patriot Guard. Mike Reichers also mentioned a Challenge Ride of three historic places of your choice accumulating over 500 miles. Must take a picture of you and your bike at each site. We need rides for the calendar for this year. We may need to move the November meetings of both Board and Chapter to the first weekend of the month due to Veterans Day four-day holiday landing on the second weekend. The consensus was approved to move. Toys for Tots handoff of Christmas presents went very well. It has been requested to bring back Cruise Night when it gets warmer once a month.

Treasurer, Sandra Torrence: Account balance is \$1,578.60. She is ready to pay everyone back for the Christmas party meat supplied.

Secretary, Fran Williams: She is taking the Scrapbooking supplies to the local School District Office.

Safety, Stan Austin: Please watch for black ice, algae and snow geese when riding. He has coins and pins still available for sale.

Membership, Barb Austin: She has sent an email to past and present members, encouraging them to return to the Chapter. She let them know that we are doing things in a new way. She has 44 members on the roster so far.

Webmaster/Historian, Don McCauley: He said that he is all caught up with Chapter pictures and videos.

Photographer, Judy McCauley: Super Christmas party and the pictures and videos turned out great.

Editor, Dennis Link: Not Present
