Hello All....I sincerely hope each and everyone of you came through the earthquakes without too much damage.

We WILL be having our monthly board meeting at the Linck's home on Friday 7/12, please let Debby know if you are attending.

For ALL chapter members we are also asking that you respond to this email OR let Bill know if you are planning to attend our Saturday meeting at Casa Corona. Due to the situation we want to be able to give Jason a count so they can prepare the right amount of food for us. It is important to get back to some normalcy and attending our meeting can do just that, hope you all plan to come out.

There is a 7/20 ride on the calendar that Bill T/Mike W will discuss on Saturday

The August calendar has a HOG Night event at the Jethawks Stadium on 8/3

Board and Chapter meetings are on 8/9 & 10 with an after meeting members choice ride to Tehachapi

CAR WASH, CAR WASH, CAR WASH...a car wash has been added to the calendar on 8/17 it will benefit OUR annual Christmas Party. Volunteers are needed.

Breakfast ride to Kernville "Cracked Egg" on 8/24, POC Bill T.

God Bless, Diane
