

2019 WESTERN HARLEY OWNERS GROUP RALLY

When: September 12, 13, and 14

Where: Victorville, CA (Harley Davidson of Victorville)

Who: Harley Davidson Harley Owners Group (HOG) Members

- We have set up great scenic rides that are both self-guided and guided by the HOG Road Captains. The rides include the VA Home in Barstow, CA, mountain riding through Big Bear and Arrowhead, rides to the “Punch Bowl”, the Calif/ NV Border Whiskey Pete’s and Primm Casinos...just to name a few. Our location with sunny skies and unlimited riding to mountains, deserts, and the beaches, will be a memory not quickly forgotten.
- We coordinated with several hotels in the area who will give HOG members a discount, as will several businesses in the area...if you wish to stay a few days.
- The DEMO TRUCK will be at the dealership for those who wish to ride the new 2020 motorcycles. This is your chance to ride the new bikes.

- A local popular brewery named “Off the Grid” (OTG) will provide craft beer on tap at the Dealership, along with other vendors providing food. You can also visit the OTG establishment to taste the various craft beers.
- There will be plenty of places to eat, sleep, ride, and share in the activities held at the Dealership and elsewhere.
- We will have two bands that will play at the San Bernardino Fairgrounds and Dealership, along with a DJ at the Dealership.

Please notify all of your HOG members about this event. We will be giving out a special prize for the HOG group that has the most members attend this event. We only have a few months left before the rally, so please sign up now.

If you have questions, please call me at 760-560-6364 or email me.

We look forward to your visit to our location for some fun time and lots of ride locations. Take care and thank you in advance for sharing this information with your HOG members.

Sincerely,

Bob Lucas, Treasurer and Coordinator
Western Region HOG Rally
